Dear Charity Organizer:

As a LASIK vision correction surgeon here in Manhattan, I have participated in numerous benefit auctions and raffles, supporting many worthwhile charities.

We have donated a discounted LASIK to be auctioned or raffled off for numerous worthwhile causes, including the Dartmouth Club on New York, a private elementary school, an organization raising funds to help train bomb-sniffing dogs in Israel, and V-Day (an organization to help stop violence against women).

If you have a worthwhile cause, we would be happy to support your effort by donating two (2) coupons for \$1000 off LASIK vision correction, to be auctioned or raffled.

Our regular price for LASIK for two eyes is \$3000. Holders of the coupon would receive LASIK for \$2000. In our experience, each coupon is usually raffled off for \$100-\$500, yielding \$900-\$500 in savings to the auction winner. In raffles, the coupons usually net over \$500 each, or over \$1000 for two.

For more information about LASIK and my practice, please visit our website above. Charity organizers typically download relevant information from this website to use in their promotional materials. We also have a 50-page book about LASIK that you can pick up at your office. We encourage you to do this, so you may visit us personally. We will try to attend the event also, if possible, to answer questions and encourage donation.

The standard terms of this offer are as follows:

1. We will donate 2 coupons for \$1000 off LASIK each.
2. The Charity Organizer may make any coupon they wish, using materials on our website, stating the following terms:
 - a. Coupon holder will receive LASIK for \$1000 off (\$1999 for two eyes).
 - b. Coupon is transferable to any other person.
 - c. Coupon must be redeemed within 1 year of purchase.
3. Charity Organizer will send us letter within 1 week of auction or raffle stating a donation valued at \$2000 total, and include IRS non-profit ID, if available.
4. Charity Organizer will send us 2 tickets so our rep. can attend the auction / raffle event.
5. Charity Organizer will acknowledge us in their program or materials as a donor.

If you are interested in participating in this program, please sign the bottom of this letter confirming your understanding and agreement with these requirements, then call us to confirm the particulars. We strongly encourage you to stop by personally to visit us, pick up some LASIK books, and have all your questions answered so we can help you make your benefit a success.

Thank you and looking forward to supporting your worthwhile cause.
